RELIEF VALVES & CHECK VALVES

FOR HITACHI MINING EQUIPMENT

**NEW
VALVE
PRODUCTS**

PRECISION ENGINEERED COMPONENTS FOR HITACHI EQUIPMENT

Our new line of relief valve and check valve assemblies for Hitachi Mining Equipment are specifically designed for the main control valves of the EX1900, EX2500, EX2600, EX3600, EX5500, EX5600, and EX8000 series excavators and shovels. These products meet or exceed all machine specifications and are proudly engineered, developed and manufactured 100% in the USA. Providing a very high quality product that will endure through the harshest conditions like you'd find in heavy mining operations.

For components that work as hard as you do, choose our Quality Engineered Components.
